# Our Musical Pilgrimage

Music Celebrations International is pleased to organize this life-changing choir tour to the Holy Land. The pilgrimage will take place June 10-22, 2024 and include visits to Biblical sites throughout the region. This performance tour of the Holy Land will deliver many rare and treasured gifts including the opportunity to learn about the earliest Christians, to sing in and visit ancient churches, temples and cathedrals, and to gather with a great sense of spiritual communion, wonderfully typical of a Christian Group Tour.

The choir will be led by Dr. Pearl Shangkuan and Dr. Dan Forrest will serve as Composer-in-Residence and accompanist throughout the pilgrimage. A spiritually uplifting and inspired program will be selected by Dr. Shangkuan and Dr. Forrest in what is sure to be an unforgettable musical experience for your choir.

## SECURITY AND SAFETY

MCI is aware that there are concerns or worries about safety in Israel due to periodic news of uprisings, riots, attacks, reprisals. We are very much involved in monitoring conditions and work closely with the U.S. State Department (daily briefings), the U.S. Embassies in Jerusalem and Tel Aviv, and our local colleagues who are very close to local conditions and happenings. MCI has never had a client experience any danger or harm (including financial harm) in its history. If the U.S. State Department advises that travel is not safe, tours will be postponed, shifted or refunded. MCI has a history of hundreds of tours to Israel in our 30 year history. MCI colleagues both in our Arizona and Jerusalem offices are professionals. We know Israel and we know how to do tours safely in Israel even when tensions and violence flare. We strongly recommend consideration and purchase of CFAR (Cancel for Any Reason) insurance (created in the insurance industry as a response to Covid, but it also applies to all other reasons for cancellation) as a precaution and for peace of mind. CFAR doesn't need to be purchased with registration and travelers can wait until 60 days prior to departure to get this coverage.
